

CERTIFICATE OF CONSTANCY OF PERFORMANCE

0751-CPR.2-395.0-01

In compliance with Regulation (EU) 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Factory made mineral wool (MW) products for thermal insulation of building
equipment and industrial installations**
(details cf. annex)

Placed on the market under the name or trade mark of

**Knauf Insulation
Trading, s.r.o**

Bucharova 2641/14
158 00 Praha 5
Czech Republik

and produced in the manufacturing plant

Knauf Insulation Trading, s.r.o

Cepirohy 54
434 01 Most
Czech Republik

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 14303:2009+A1:2013

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 24.05.2022 and will remain valid (but no longer than 24.05.2023) as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

A publication of extracts or a referring to the Certificate of Constancy of Performance and its annex requires the prior written approval of FIW München. Certification body accredited by DAkkS according to EN/ISO IEC 17065:2013 according to the certification annex D-ZE-14116-01-00.

Factory: Knauf Insulation Trading, s.r.o, Cepirohy 54, 434 01 Most, Czech Republik

Construction product(s): Factory made mineral wool (MW) products for thermal insulation of building equipment and industrial installations according to EN 14303:2009+A1:2013

Intended use: Thermal insulation products for building equipment and industrial installations

Level(s) or class(es) reaction to fire: for uses subject to regulations on reaction to fire A2. Products for which a clearly identifiable stage in the production process results in an improvement in the reaction to fire classification by limiting of organic material.

Product			Reaction to fire EN 13501-1				
No.	Form	Name	Discription	Classification	Range	Fire Group	Classification report
1	Lamella mat	Thermo-teK LM Air ALU	Non-combustible mineral wool lamella mat onto reinforced aluminium foil	A2- s1,d0	Thickness: 30 mm to 100 mm Density: 30 kg/m³ Organic content ≤ 9,5 %	1	FIRE-CR-309-21-AUPE Edition 2

Detail information about the insulation products are given in the classification reports
